

National Diamond Girl Competition

This is held prior to the regular National Competition, giving you a chance to use the stage. The judges will not be the same as Diamond Miss judges, so you can use the same party dress and talent number that you're using in Diamond Miss Competition.

A Queen will be crowned in each age division with 1st and 2nd runners-up to the Queen determined by the highest total points of the four modeling events and one talent event – then 1st and 2nd place trophies for each event in each age division will be awarded if more than 4 contestants in a division.

Overall Diamond Girl will receive **\$1,000 CASH!!!**

Because we must order special trophies and prizes, if you are entered in Diamond Girl and you withdraw two weeks or less before the pageant or at Registration, you must pay the full Diamond Girl Entry Fee
